Challenges Facing the Malaysian Palm Oil Industry - Multi-Pronged Strategies for Raising Oil Yield, Productivity and Profitability

MUKESH SHARMA

United Plantations Berhad, Jendarata Estate, 36009 Teluk Intan, Perak Darul Ridzuan, Malaysia

The paper considers the challenges facing the oil palm industry. These challenges, amongst many others, include labour use and stagnating yields. It then considers approaches to and prospects for increasing yield.

Keywords: *Challenges, planting materials, clones, strategies, productivity, profitability*
