**Course Introduction**

MSPO underwent significant changes with the launch of MS 2530:2022 on 22 Mar 2022. The new version of the Malaysian palm standard is also known as MSPO 2.0. The changes were made to ensure that the MSPO was acceptable to global market to create more opportunity for Malaysian palm products to be recognized internationally.

Therefore, this course is designed for participants who wish to gain knowledge of MSPO requirements and how to start the next step towards MSPO certification based on the operational units carried out by the organization. This program will focus on the interpretation and implementation of MSPO requirements, legal and specific requirements in compliance with MSPO 2.0.

**Course Objective**

- 1) Fundamental concepts & principles of MSPO standard requirements.
- 2) Plan & development of an MSPO Management System to meet MS 2530:2022 Standard
- 3) Obtaining a practical method to upgrade the management system to the requirements that meet the MSPO 2.0 Standard

## **Course Outline**

- Introduction Malaysian Sustainable Palm Oil (MSPO)
- Comparison Between MSPO vs Other Sustainability Standards
- Reference on Relevant Sustainability Issues
- MSPO Standard Requirement
- MSPO Documentation
- Specific requirements in compliance with MSPO 2.0
