# INTERNATIONAL SABAH OIL PALM CONVENTION 2027 (ISOPC27)

*"A stronger Sabah oil palm industry for a sustainable and prosperous future"*

26 - 27 April  
2027

Sipadan Hall III, Level 4, Sabah International  
Convention Centre (SICC)

## ABOUT THE CONVENTION

The International Sabah Oil Palm Convention 2027 (ISOPC27) brings together plantation leaders, policymakers, researchers, investors and technology providers to explore how Sabah can raise productivity, accelerate responsible replanting, strengthen its workforce, improve milling and value recovery, and compete sustainably in changing global markets.

1,496,558 million ha  
oil palm planted area in  
Sabah (2025, MPOB)

26.3%  
of Malaysia's oil palm  
area (2025, MPOB)

Strategic gateway  
to Asian and global  
markets

Rich biodiversity  
and natural resources

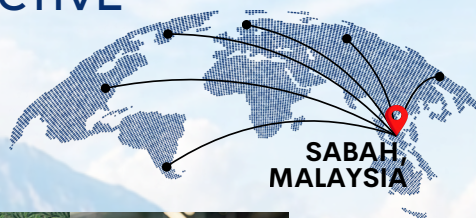

Strong potential  
for green investment  
and downstream growth

## A GLOBAL PERSPECTIVE

### Connecting Sabah to the World

The convention will feature international experts and industry leaders sharing global experiences, technologies and market insights to position Sabah as a key player in the future of sustainable palm oil.

GLOBAL  
MARKETS

SUSTAINABLE  
PRACTICES

INNOVATION &  
TECHNOLOGY

STRATEGIC  
PARTNERSHIPS

## SPONSORSHIP & EXHIBITION OPPORTUNITIES

Showcase your brand. Connect with key decision makers. Be part of Sabah's palm oil future.

Strategic  
Partnerships

Brand  
Visibility

Networking  
Opportunities

Access to Regional &  
International Markets

CONTACT SECRETARIAT: +603-79555561 / +6011-16383266 (WhatsApp) / [conference@isp.org.my](mailto:conference@isp.org.my) / [www.isp.org.my](http://www.isp.org.my)

# KEY ISSUES FOR SABAH

*Addressing today's challenges. Creating tomorrow's opportunities.*

- Ageing palms and declining productivity
- Replanting and land development
- Soil degradation and sustainable land management
- Labour shortages and mechanisation
- Mill efficiency and value recovery
- Smallholder productivity and inclusion
- Sustainability, carbon and global market access
- Infrastructure and logistics
- Investment and downstream development
- Technology, digitalisation and AI
- Policy and regulatory landscape
- Building a competitive Sabah oil palm industry

## WHO SHOULD ATTEND

- Plantation CEOs and senior management
- Estate and mill managers
- Smallholders and cooperatives
- Investors and financial institutions
- Government agencies and policymakers
- Researchers and academics
- Technology providers and service companies
- NGOs and sustainability organisations
- International delegates and industry leaders

## CONVENTION OVERVIEW

Expert keynote addresses

Technical sessions and panel discussions

International and regional perspectives

Industry exhibitions and networking

Field insights and best practices

Business and investment opportunities

## SPONSORSHIP PACKAGES

The sponsorship packages are mainly reserved for plantation and plantation-related industry's leading organisations. The sponsorships comprise the most attractive, desirable, and effective promotional parameters of the ISOPC27. The Sponsor will be given the highest possible level of support, exposure, and publicity from the ISOPC27 organising team. The parameters that constitute the sponsorship are only available as part of the package, thus ensuring exclusivity and its innate value.

| CATEGORY                       | PACKAGES                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |
